

WELCOME TO OUR NEW AGENT!

Kansas North District Manager Rick Lindblom welcomes our newest agent, Yvonne Guy

Yvonne began her new career as part of the Midwest Regional Agency team on August 1, 2015 in Topeka.

She was born and raised in Redlands, California, and in 1994, she moved to Topeka Kansas to be closer to her parents who were transferred with the Santa Fe Railroad to the area.

Yvonne is married to Tony, and they have two teenage daughters who keep them VERY busy. Savannah is 16 and Brooke is 14 years old. Their daughters are very active in school including: club softball, high school volleyball, basketball, soccer and Marching Band.

Yvonne volunteers for many school functions, including chaperoning, helping at sporting events, team dinners, decorating lockers and painting posters.

Yvonne recently left her job at the Topeka KS School District where she worked for the last 12 years. She worked as a Certified Parent Educator helping families with children birth to 3 years old. Her job was very rewarding and she hopes to help families differently now by encouraging them to insure their future!

Yvonne will be working alongside Art Alcalá who plans to retire at the end of the year. Yvonne worked part-time for Art about 14 years ago and she is excited for the opportunity of growing what he has already established.

***Please join us and Welcome Yvonne Guy & her family to the Midwest Regional Agency & Midwest Agency
LLP family!***
