

WELCOME TO OUR NEW AGENT!

Nebraska District Manager Kevin Herrold welcomes our new agent Leslee Deisley!

Leslee began her new career with Midwest Regional Agency on April 1, 2019 in Hastings, NE.

Leslee is a native of Nebraska and graduated from Hasting NE high school. After high school Leslee attended Nebraska College of Technical Agriculture located in Curtis, NE and studied Vet. Tech.

In her free time, Leslee enjoys rodeo, golf, and spending time with her family and friends. She is an avid Dallas Cowboys football fan, and for baseball she cheers for the San Francisco Giants!

Leslee has a variety of work experience that she feels will benefit each of her individual customers for their insurance needs. Leslee states: "I look forward to working with everyone and will strive to build a great relationship with all!"

Prior to joining MRA Leslee was involved in sales and service with a crop insurance agency and was referred to MRA by Rita Deveny who is a Field Manager with Farmers Mutual Hail. Thank you, Rita!
